Brad Bann - Brad Bann has been performing "The Songs of Sinatra" in many different venues, which include Princess Cruises, Pizzaz on the Park in London, The Silver Legacy in Reno and various clubs in Palm Desert.

He has been well received by audiences who have compared his powerful smooth voice to that of Sinatra. He brings back to life the sound of America's great crooners and the golden big band era.

GoKatGo/ www.myspace.com/gokatgoband - Katy Leaver of KGO Radio is lead vocalist for popular jazz-rock trio, Go Kat Go! This local band plays music that gets people up and dancing with a huge list of songs that relax people during dinner, and fire them up after dessert. Guitar virtuoso, Mike Williamson and percussionist-vocalist Richard McKinley add exotic musical stylings.

Jon Popenoe Blues Band/www.myspace.com/jonpopenoebluesband - Jon Popenoe is a renegade guitarist, vocalist, songwriter, bandleader, music teacher and erstwhile promoter, producer and recording artist. While his playing style is rooted in blues and jazz, he has been influenced by music from many genres.

Swing Set/www.swingsetlive.com - As one of the “house bands” at Rickey’s, Swing Set is a five piece band that plays some of the greatest songs ever written from the Golden Era of Jazz. One of the most unique aspects of SwingSet is the musical versatility of its members, playing everything from Swing, Latin, Ballad, Blues and Waltz. But even beyond that, SwingSet also entertains audiences with Folk, Pop and Rock, from the 50s to present.

Tracy Rose Trio/www.myspace.com/tracyrosetrio - Bringing an air of elegance and sophistication, this talented and versatile group offers a wonderful collection of songs and infectious rhythms, in a wide range of musical styles, including Jazz, Swing, Latin, Pop and Fusion.
