Get hands-on with exhibitions, art studios, interactive simulations, and more at the Bay Area Discovery Museum in Sausalito. This center of discovery was designed to engage, delight, and educate children.

Take a picnic break at beautiful Fort Baker and enjoy spectacular, up-close views of the Golden Gate Bridge. And watch the hustle and bustle of San Francisco from just across the Bay.

AFTERNOON

See a working model of the Bay and its tributaries at the Bay Model Visitors Center in Sausalito. Tours can be tailored to the technical level of your group.

DAY TWO

MORNING

Take a ferry ride to historic Angel Island, right in the center of the Bay. Once there, you can hike, bike, fish, take a Segway tour or see the historic sites on the island.

LUNCH

Pack a picnic and enjoy the seaside air and beautiful views from all around the island.

EVENING

Take in a baseball game at Albert Park. The San Rafael Pacifics are proud members of the North American Baseball League. It's a fun opportunity to see professional baseball up close and personal.
