Marin Convention & Visitors Bureau and Marin Council of Chambers
Promote Marin County Cares ~ Restaurant Appreciation on October 22 – December 31, 2020

San Rafael, CA – The Marin Convention & Visitors Bureau (MCVB) is pleased to announce an upcoming countywide restaurant promotion in partnership with local Chamber of Commerces in Corte Madera, Fairfax, Larkspur, Mill Valley, Novato, San Anselmo, San Rafael, Sausalito, Tiburon, West Marin and Hispanic Chamber too.

“Please support our wonderful Marin County restaurants. We are all aware of the impact Covid-19 has had on all our favorite restaurants, so the Marin Council of Chambers along with the Marin Convention and Visitors Bureau has partnered together to promote Marin County Cares ~ Restaurant Appreciation. We encourage residents to keep dining at their favorite restaurants while also trying someplace new. Your business and support will make a difference to our restaurant community” said Julie Kritzberger, Executive Director for the Corte Madera Chamber of Commerce.

“Marin County Cares ~ Restaurant Appreciation” was created around the idea that we value our restaurants in Marin County, many of which are family owned businesses that have contributed back to their respected communities, as well as enhancing the overall tapestry of what makes Marin County so special. In terms of timing, this promotion will not be the standard week or month-long experience. Marin County Cares ~ Restaurant Appreciation will start on October 22, 2020 and last through the end of the year; each restaurant is either showcasing a special offer or an existing menu feature to welcome guests back to their establishments. There are no tickets or passes required and although most restaurants are open on a first come, first serve basis, many do appreciate a reservation for outdoor dining, and indoor dining if available. Most importantly, if there is a special offer, such as a discount or free item with purchase, customers must mention “Marin County Cares” to their server to receive special offer.

The best way to view this promotion is to visit www.restaurantappreciationMarin.com, which lives on our Visit Marin website (www.visitMarin.org). Marin County Cares ~ Restaurant Appreciation opens to each participating community and featured restaurants. Participating chambers of commerce will have a similar link on their websites as well.

The Marin Convention & Visitors Bureau (MCVB) is a private 501-c6 organization that promotes Marin County as an overnight destination through marketing programs, collateral materials, trade missions, and partnership with other industry-related organizations. Our mission is to develop a sustainable visitor base to Marin County, enhance the local economies, and protect the natural resources through responsible promotion.
