## MEMBER HIGHLIGHT OF THE MONTH

**February in Marin** is the one month out of twelve where love prevails, and when couples take that everlasting leap in to marriage. Reverend Elizabeth River creates and performs weddings, commitment ceremonies, and renewal of vows ceremonies. As an ordained Interfaith Minister since 2014, she has officiated over 80 weddings with a solid mission in mind: "To help couples create ceremonies that celebrate the love which is at the core of their relationship."

Reverend River will help design a sacred ceremony that reflects who you are as a couple, as well as visions for your married life. Follow traditional wedding ceremonies and customs, or we create something wholly unique. Your ceremony will be unique, joyous, and deeply meaningful.

Services include:

- Guidance in choosing readings, poetry and special rituals.
- Assistance in creating original vows, when desired.
- Loving, enthusiastic support for you as you express your beliefs, hopes, and visions for your marriage.

- Guidance in designing the perfect flow of the ceremony itself.
- Coordinating with musicians and photographers before, during and after the wedding.
- Making sure your marriage license is properly witnessed, signed and returned to the Clerk of the Court.

"When two people find one another, fall in love, and commit to share their lives, it is a precious and wonderful blessing! This is one of the greatest gifts we are given in life."

*Member of the Marin Convention & Visitor Bureau since October 2012*
